

Supported Independent Living in SDA Seaton, SA

Smart, accessible living in Seaton

This 3-bedroom SDA home is designed for comfort and support. Each resident has their own ensuite, with shared living areas and a private courtyard for space to connect or unwind.

Step-free access, wide doorways, hoist provisions and smart-home controls make daily life simpler. A separate carer's room ensures support is always available. Solar with battery storage helps reduce costs, while gated entry and monitored systems provide peace of mind. Westfield West Lakes, Queen Elizabeth Hospital, Seaton Park Station and Grange and Tennyson beaches are all within easy reach.
