

Supported Independent Living in SDA
Homebush West, NSW

**Stylish, accessible apartment living
designed for independence**

Discover the freedom of modern, thoughtfully designed apartments where comfort and accessibility are built-in. These one- and two-bedroom homes combine private spaces with convenience and community in a prime suburb.

Each apartment offers quality finishes, natural light, and seamless access to local amenities and transport. Designed for flexibility, these homes provide the right balance of independence and support to suit your lifestyle.
