

Supported Independent Living in SDA

# Cardiff, NSW

## High Physical Support and Improved Liveability SDA now available in Cardiff

Located in the well-connected Lake Macquarie suburb of Cardiff, this SDA development offers three purpose-built townhouses on one site, suitable for flexible living arrangements with Onsite Overnight Assistance in each unit.

With John Hunter Hospital just 7 km away, this development is suited to hospital discharge pathways and Medium Term Accommodation. The IL rooms are open to non-funded occupants, making it a practical option for families and carer arrangements.
