Supported Independent Living in SDA

Cardiff, NSW

Connected Living with Comfort and Choice

Located in Cardiff, this upcoming SDA home offers a unique opportunity with participant input considered throughout the design process, allowing the home to be shaped around individual needs, preferences and lifestyle.

Featuring a private yard, ensuites, plenty of storage, fire sprinklers and choice of supports, this home provides a considered living environment focused on comfort, choice and control, with convenient access to shops, transport, health services and the local community.

**High Physical Support,
Fully Accessible &
Improved Liveability**

1:2 SIL
